

SHUBHRA

BRUSHES

“Shubhra Brushes”

Reliable abrasives & polishing solutions for stone slabs.

About the company

Shubhra Brushes is a manufacturer and trader of high-performance abrasives, lapato brushes, polishing tools, diamond filaments, and industrial chemicals used in granite, marble, and Italian stone processing. With a strong focus on quality, consistency, and performance, our products are designed to deliver precise grinding, superior polishing, and refined surface textures for modern stone factories.
